BP® is committed to responsibility.

FAIR WEAR

Our social responsibility:
BP® has now been named Fair Wear Leader eight times in succession.
The aim of the FAIR WEAR FOUNDATION is to improve working conditions for people working in the international clothing industry.

SUPPORTING FAIRTRADE COTTON

The **Supporting Fairtrade Cotton** programme targets the people right at the start of the value-added chain in the textiles sector: the farmers who grow and harvest the cotton. This programme allows the farmers to sell greater quantities of their cotton, which not only opens up new avenues to fair trading conditions but also creates opportunities for social change. One of many sustainable BP® partnerships.
